Holidays with a return

## Your own apartment with a phenomenal view of the sea, mountains or both

The luxury holiday apartments are spread over five smaller complexes and are suitable for 2-8 people. There are various types of apartments available with 1, 2, 3 or 4 bedrooms.

All apartments have a balcony or terrace, private storage space, and private parking space in the underground car park.

Las Lagunas de Mijas, Málaga, Spain

# Our holiday dream

Magnificent sandy beaches on the beautiful Mediterranean Sea

Close to luxury resorts such as Málaga, Puerto Banús and Marbella

Close to the most popular golf courses in Europe

— **Make your dream come true**

## **España at its best**

Our prime location in Las Lagunas de Mijas is a true Spanish dream. The coast offers no less than 12 kilometres of beach, and you can visit a different large beach or small bay every day. Some beaches can only be reached by a small bridge or tunnel.

The charming village of Mijas also called “the white village”, is built on a rocky plateau with beautiful sea views. Enjoy the lovely terraces, restaurants, beautiful parks or explore the village with the quaint tuk-tuks.

From the most beautiful golf course to the most luxury marina

**You will never be bored**

Your choice

## Where do you want to start?

Mijas is home to one of the most popular public golf complexes in Europe. If you have never played golf, this complex is the best reason to start practising.

Other musts are the large indoor shopping centre, Miramar Centro Comercial, the old town of Marbella and the luxurious marina, Puerto Banús.

The whole of Andalusia is beautiful and has a wealth of beautiful museums, historic churches, impressive castles and imposing palaces that are well worth a visit.

Spending the winter in Spain

## Holidays, living or investing

The winters in Spain are pleasant, sunny, and an attractive alternative if you are looking for freedom. Hacienda el Sueño is classed an official residential property. As an apartment owner, you have the wonderful scenario of making your brand-new apartment on the Costa del Sol your Spanish home. Visit the Netherlands in the summer—the perfect life.

You also have the choice to let your apartment. Benefit from our experienced rental organisation and a possible fixed return on your investment. We manage the rental process completely in-house, together with experienced and international partners.

Living, enjoying your holidays, a financial investment, or a little bit of everything— the choice is yours!
